## Commander's Message

Now that the tragic and terrific incident of gang-rape on Baha-ud-din Zakariya train was not less than a challenge for railways police. Nevertheless, with the grace of Allah Almighty we traced down the accused within no time.

True professionalism and industrious efforts were applied on part of the constituted special team and the accused were brought to justice.

I am also delighted to inform that with the contributions of PM Strategic Reforms office and Ministry of Railways the state of the art 'Safar Saheli App' is going to be launched very soon at CPO for the immediate redressal of the grievances of the women faced while traveling through trains.
